

Julianne has waved bye-bye to her curly locks. With the help of her New York stylist, Ty Holbrook at John Frieda, she recently tried Yuko System. Since permanent straightening can dry hair out, the protein-based Yuko System (about \$500, yukosystem.com) uses a patented heat-iron set at 365° to seal in moisture.

# celebs' straight & sleek hair

It typifies Hollywood glamour — and stars will take their locks to extremes to get the look!
